DR. J. C. SAGE'S
Catarrh Remedy
FOR A CASE OF CATARRH WHICH THEY CAN NOT CURE.

SYMPTOMS OF CATARRH.

Thick, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acid, at others, thick, tenacious, autumna, purulent, bloody and nitrid; the eyes are weak, watery, and inflamed; there is itching in the ears, deafness, sneezing or coughing to clear the throat, expectoration of offensive matter together with scales from ulcers; the voice is changed and has a nasal twang; the breath is offensive; small and hard eruptions appear; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. However, a few of the above-named symptoms are usually to be observed in any case. Thousands of cases actually, without manifesting any of these, have died, from the catarrh of the nose, throat and lungs. No disease is so common, more deceptive and dangerous, and seldom cured, or more unaccountably treated by physicians. By its mild, soothing, and healing properties.

DR. SAGE'S CATARRH REMEDY

CURES THE WORST CASES OF

Catarrh, "Cold in the Head," Coryza, and Catarrhal Headache.

SOLD BY DRUGGISTS EVERYWHERE.

UNTOLD AGONY FROM CATARRH.

Prof. W. HARRIS, the famous musician of Illinois, N. Y. writes: "Some years ago I suffered untold agony from chronic nasal catarrh. My family physician and I tried every remedy, but could not cure it. I could barely speak above a whisper. In the morning my eyes and coating of my throat would almost become me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was cured, and the cure has been permanent."

CONSTANTLY HAWKING AND SPITTING.

Dr. Sage's Catarrh Remedy, it can be done only for catarrh now manifested, and men use it to give it a fair trial to express a satisfactory result and a permanent cure."

THREE BOTTLES CURE CATARRH.
